

Summary of Esoteric Astrology Reading of NAEH, Inc. by Mary Connolly

March 12, 2020 (based on natal chart of NAEH, Inc)

According to this astrological chart, the NAEH is entering a new, developing cycle of re-creation and expansion. Within this phase, three particular themes or “soul purposes” are highlighted:

- 1) **Dissemination of Information – Education** – getting the word out about Esoteric Healing and related concepts. In alignment with Natural Law, and using the Creative Potential that resides within all of us, to share how Esoteric Healing is affecting people and our world.
- 2) **Research** – to start on the path of investigation and learning more about the effects of this healing work. It was suggested to explore faith as a way to dispel fears. NAEH will require a database for storage of research data.
- 3) **Protocol Expansion** – using the intuition and the unique gifts/talents/strengths of individuals and groups within the NAEH to expand protocol.

We are in the process of re-creating through the expansion of our protocol, our research, our education. NAEH can serve as a platform for Esoteric Healers to serve, using their talents and strengths to their fullest expression and potential. We remember as a group that we support each other and that we are of like mind. We also realize there are many roads to the same place, and we choose to work with each other respectfully and lovingly.
